

REDUCE & SAVE

with Banyan Waste Solutions state-of-the-art waste management

BANYAN WASTE SOLUTIONS along with the nation's leading waste industry insiders Waste Focus, will:

- 🌿 Save you an average of 30% on your waste bills
- 🌿 Audit and consolidate all monthly invoices
- 🌿 Monitor and track all existing contracts and terms
- 🌿 Contain your waste management costs for the next three years
- 🌿 Reduce your number of waste pickups
- 🌿 Provide a transparent pricing model so you always see exactly what is being saved, where the savings are going, and what the true costs and actual management fees are
- 🌿 Ensure regulatory and environmental compliance
